

# High Salary Jobs in Greenville That Don't Require a Bachelor's Degree

Education, training, and experience typically make a difference in the type of job and wages one can expect. But not all “good” jobs require a college degree. Based on the latest employment projections for Greenville, here are some jobs with higher wages that don't require a four-year college degree that will have significant opportunities over the next several years. They are listed by education level and then salary.
