

HOT JOBS!

in Trident

The Trident Local Workforce Development Area (LWDA) is expected to add more than 44,900 jobs between 2012 and 2022, according to employment projections by the SC Department of Employment and Workforce's Business Intelligence Department. That is a projected rate of 14.5 percent over the ten-year period.

Based on the results of this forecast, "Hot Jobs" have been identified as in-demand for this time period. This list is helpful to educators, career counselors, students, and others making career plans.

- **Civil engineers**
- **General and operations managers**
- **Industrial engineers**
- **Lawyers**
- **Logisticians**
- **Managers, all other**
- **Medical and health services managers**
- **Pharmacists**
- **Physical therapists**
- **Registered nurses**
- **Software developers, applications**
- **Software developers, systems software**

All of these occupations meet three specific criteria:

- A projected growth rate of at least 14.5 percent over the ten years,
- An increase of at least 150 jobs, and
- An average annual salary of at least \$43,562 (the 2015 average for all jobs in the LWDA).

The most in-demand job will likely be Registered Nurses (+1,723) and the highest salary will be for General and Operational Managers at \$98,381 per year.

The data for these projections was compiled using standard statistical models funded by the U.S. Department of Labor. The projections were reviewed and revised by economic experts in South Carolina prior to publication.
