What Are the Top Occupations in Key S.C. Industries?

Graphical Representations of Staffing Patterns for Key Industries

• Through DEW's Employment Projections Program comes an industry-occupation matrix of employment for each occupation within each industry.

• A staffing pattern is a listing of the detailed occupations that make up an industry.

• This presentation highlights a selection of the staffing patterns of some of state's key industries in a graphical way with block sizes and color scheme relative to level of employment (2018) for the top occupations.
