

'Tis the season for great holiday jobs!

Lots of companies hire more people before and during the holidays.

Why should you look for a seasonal job?

- It can fill in gaps in your resume.
- It can put you in contact with potential full-time employers.
- You can learn skills that carry over to a permanent job.

Retail stores usually increase hiring for sales staff during the holidays. Some places to look are:

Department stores
Clothing Stores
Electronics stores
Kiosks in malls
Computer stores
Jewelry stores

Discount stores
Sporting goods stores
Hobby & music stores
Grocery stores
Toy stores

(Don't forget seasonal security, stocking, and janitorial jobs!)

Hospitality

Maids/Housekeepers
Banquet Servers
Florists

Cooks
Waiters and Waitresses
Food delivery

(Check with hotels, motels, restaurants, and florists.)

Distribution & Delivery

Those gifts have to get to people somehow so there are usually openings for national delivery companies and in warehouses of the large online retail companies. *(May require being able to lift up to 70 pounds and/or stand for long periods.)*
